FINAL December 2018 Southern Pine Shipments
Final shipments include mill production not previously reported in 2018

Southern Pine lumber shipments in December were revised upward 2% totaling 1.298 billion board feet (Bbf), 10% below November’s revised shipments of 1.449 Bbf. December year-to-date shipments totaled 18.846 Bbf or 3% above the same period in 2017, and 9% above the same period in 2016.
